

## JCB-18PCS-185 PRO CIRCULAR SAW

The JCB-18PCS-185 18V brushless circular saw is ideal for woodworking, including first fix carpentry such as framing and cladding but also perfect for general trade, workshops and more. Included in the box is a 24T TCT Wood blade and a 40T multi-purpose TCT blade so you can get to work straight out of the box (providing you have JCB 18v batteries of course!).
