

JCB-OFAC-50H

SILENT 50L OIL-FREE AIR COMPRESSOR

The JCB-OFAC-50H is a 50L horizontal oil-free silent air compressor for workshop inflation, blow cleaning, air brushing, light spray work and intermittent pneumatic-tool use, subject to the connected tool's air requirements. Its 1.5kW, 2HP direct-drive system delivers 300L/min air displacement and reaches 8 bar/116psi.

1.5m Cable

50L Capacity

81db (A) Sound level

3 Year Warranty

Specification	
Model	JCB-OFAC-50H
Tank Capacity	50L
Pump Type	Oil-free, direct drive
Rated power	1500W / 2 HP
Motor Speed	1450rpm
Voltage	230V
Maximum Pressure	8 bar / 116psi
Sound Pressure Level	81 db(A)
Power Cable	1.5m
Net weight	44.5kg
Assembled dimensions (H x W x L)	765 x 440 x 710mm
